short manga series "temperature"

body temperature -50°

hayakawa nojiko

UNDERSTOOD!
WE ARE HERE TO INFORM YOU THAT
KIDO HAS BEEN APPOINTED TO THE RESEARCH EXPEDITION
FOR MORE DETAILS, REFER TO THIS OUTLINE
ADDITIONALLY YASUDA HAS BEEN APPOINTED TO ACCOMPANY HIM
WHAT?!
THAT IS ALL
HEY WAIT A SECOND!
WHY DO I HAVE TO GO WITH YOU?!
SO YOU SHOULD DEFINITELY GO WITH KIDO! YOU'RE HIS SENPAI, AFTER ALL
Plus, he's a newbie
THIS EXPEDITION IS PRETTY DANGEROUS, RIGHT?

PLEASE SHOW ME HOW IT'S DONE
YASUDA-SENPAI!
YOU'RE OLDER THAN ME, THOUGH
we researchers are built tough though!
THIS IS A LIFE OR DEATH SITUATION!
"DANGER-OUS?"
HOW IS KIDO ENJOYING HIMSELF WHEN WE'RE STUCK IN A PLACE LIKE THIS?
I don't get it
why couldn't the research rebels do this instead?!
he's taking pictures?
yay
yay
the cold wave has finally dissipated

THE PLANTS I BROUGHT ALL FROZE INSTANTLY!
WELL, OF COURSE THEY WOULD...
HUH?!
YASUDA-SAN, YASUDA-SAN!
PLEASE LOOK AT THIS!
WHAT NOW?
HE'S LIKE A LITTLE KID
HOW FLEETING...
EVEN IN AN ENVIRONMENT LIKE THIS
WHERE ALL FUNCTION HAS CEASED
WE UNDERSTAND HOW TO LIVE, DESPITE NOT HAVING THE INHERENT ABILITY

HUMANS COULD BE SEEN AS EITHER WEAK OR STRONG
SUCH COMPLICATED LIFE-FORMS, HUH?
YASUDA-SAN, YASUDA-SAN!
NOW WHAT?
PLEASE TAKE A DEEP BREATH!
AH
THAT'S NOT SOMETHING ONE WOULD NORMALLY SAY WHILE SMILING
HE'S REALLY JUST LIKE A KID

I'm already breathing!
A BREATH?
?
BUT
YOU'RE DOING IT YOURSELF ANYWAY!
IT'S STILL TOO WARM YET
WHEN IT GETS A BIT COLDER...
OUR BREATH WILL FREEZE WHEN WE EXHALE
IT SOUNDS LIKE A WHISPER

SO INCREDIBLY FRAGILE
EPHEMERAL, AND BEAUTIFUL
JUST LIKE HUMANS
VAPOR TURNS INTO A SOLID AND VANISHES
A MOMENTARY OUTCRY

HOW UNFORTUNATE THOUGH
I WANTED TO SEE IT WITH MY OWN EYES
let's head to our destination
WAIT KEEP TRYING
HUH?
YOU'RE HUMAN TOO, THOUGH...
IT'LL HAPPEN IF WE WAIT FOR A BIT RIGHT?
let's put up our tent
WE'VE COME ALL THIS WAY SO WE MIGHT AS WELL SEE IT
I'M STILL LACKING DATA ON HOW TO DEAL WITH THIS EMOTIONAL PATTERN
WHAT?
WHAT?
OH WELL

I'M SORRY
I THINK I FELT "PLEASANT" JUST NOW
THOUGH I'M NOT SURE THAT'S QUITE RIGHT
AHH
because you can see what you wanted to see
YOU MEAN YOU'RE "HAPPY?"
HAPPY
YEAH
AND YOU SHOULD SAY "THANKS" WHEN YOU'RE HAPPY, NOT "SORRY"
THANKS
THANK YOU VERY MUCH

WITH THE WAY HE'S LEARNING
YOU'RE WELCOME
STUDYING FEELING,
GRADUALLY BECOMING MORE HUMAN
IT WOULD BE NICE IF, SOMEDAY HE WOULD MEET SOMEONE WHO
COULD SHOW HIM HOW WARM THE HUMAN BODY'S TEMPERATURE IS
a peek at the expedition outline
I was instructed to experience this 'cold region pastime' for myself so you should join me as well!
I wonder if I'm doing it correctly
Article 350 section 456 clause 2.6 of the expedition outline describes cutting a hole in the ice through which one fishes with a string
seriously?!

What the hell kind of expedition is this?!
